1. The perimeter of the base of a snowmobile trailer is 90 m. The trailer base is in the shape of a rectangle. What could be the measurements of the sides?

2. The perimeter of a shape is 32 m. All sides measure 8 m. What shape is being measured?

3. Lisa wants to build a fence around an outdoor play area for her ferrets. The play area will be 7 m long and 5 m wide. What is the total length of the fence, in meters, Lisa needs to place around the ferret play area?

4. Marquis is putting wood molding around a large window. He knows he needs 16 m of molding to go around the window. Draw and label a picture of a window with measurements that would have a total perimeter of 16 m.
