1. Identify if the following images are symmetrical or not symmetrical.

   a. 
   b. 
   c. 
   d. 

2. Draw one line of symmetry on each image.

   a. 
   b. 
   c. 

3. Sketch a picture with the given number of lines of symmetry.

   a. 1 line of symmetry 
   b. no lines of symmetry
