### Material List

-  Shoebox
-  Glue stick
-  Scissors
-  Plastic animal
-  Set of decoration supplies to build your habitat with

### Instructions

-  Choose an animal for your diorama.
-  Lay the lid of your shoebox on a table with the inside showing.
-  Put glue on one side of the shoebox and stand it up on the lid.
-  Decorate your shoebox so that it looks like the habitat of your chosen animals.
-  Once your diorama is decorated, you can place your animal inside.

## How It Works

Animals will only live where their needs are met. Needs include food, shelter and water. There are many different habitats around the world and each habitat can have many different animals. Your habitat should look like the place that your animal naturally lives and grows and it should include food and water.
